

How to Donate

Donations and other funds collected throughout the year are used to fund educational scholarships for 200+ children each year. Because we are a volunteer organization, 100% of your money goes into education for the needy students. Your generous contributions are sincerely appreciated.

All funds are deposited directly in the International Women's Fund (IWF) account, the registered charitable arm of Phuket International Women's Club (PIWC). This fund manages and disperses the scholarship funds as overseen by the 3 person IWF Board and the PIWC General Committee. All communications and promotions are handled under original name, Phuket International Women's Club, the oldest charity on Phuket Island of over 32 years.

Funds can be deposited directly with the following PIWC/IWF bank details:

Bank Name: Siam Commercial Bank
Branch: Chao Fa Road
Account Number: 633-281298-3
Account Names: Wipa Tanmanatragul, Jirapa Euwsakul and Jureewan Wongprom
